

Cookies Policy

How we use cookies on our platform

Effective: January 2025

Version 3.0

www.xbtfx.com

Welcome to XBTFX.com ("the Site"). This cookies policy explains how we use cookies and similar technologies to recognize you when you visit our website. It explains what these technologies are and why we use them, as well as your rights to control our use of them.

This policy should be read in conjunction with our Privacy Policy at <https://data.xbtfx.com/XBTFX-Privacy-policy.pdf>.

1. What Are Cookies

The Site may use "cookies." A cookie is a small text file that identifies a customer's browser each time they visit a website. Cookies are standard industry practice and are used by most websites to improve user experience. While browsers may be configured to refuse cookies, doing so may limit site functionality.

2. Managing Cookies

Cookies must be managed through your browser settings. Consult your browser's Help menu for guidance on how to modify your cookie preferences.

For detailed instructions on managing cookies, you may visit:

- www.aboutcookies.org – General information about cookies
- www.youronlinechoices.eu – EU-specific cookie management

3. First-Party and Third-Party Cookies

The Site uses first-party cookies (set by XBTFX) and may allow carefully selected third parties to place cookies on your device. All third-party cookie providers must meet our strict contractual and security requirements before deployment.

4. Cookie Categories

Cookies used on the Site fall into the following categories:

Strictly Necessary Cookies

Essential for navigation, stability, security, and core site operation. Disabling these cookies may significantly impair functionality.

Functionality Cookies

Enhance user experience by remembering return visitors, preferences, language settings, and regional configurations.

Analytical Cookies

Track visits, interaction patterns, and browsing behavior. Insights help optimize site performance and content relevance for all users.

5. Data Sharing

Aggregate cookie usage data may be shared with approved third parties for analytics and performance optimization purposes. This data is anonymized and does not contain personally identifiable information. Users may opt out of analytical cookies through their browser settings.

6. Updates to This Policy

We may update this Cookies Policy from time to time to reflect changes in technology, legislation, or our data practices. We encourage you to periodically review this page for the latest information on our cookie practices.

If you have any questions about our use of cookies, please contact us at support@xbtfx.com.
